

ALULA IS ONE OF THE WORLD'S UNSEEN WONDERS, OPENING FOR THE FIRST TIME TO TRAVELERS.

In AlUla, Saudi Arabia

19 December 2019 to
7 March 2020

Festival is every

Thursday to Saturday,

with the option to

extend 1-2 days either side.

An area with thousands of years of history, including the Nabatean's second largest city after Petra and UNESCO World Heritage Site, Hegra – AlUla will be opening to the public in October 2020.

However, there is an opportunity for the adventurous, the early adopters to visit before AlUla opens its doors to the world.

The Winter at Tantora festival is a 3-month Arts, Culture and Music Festival which allows visitors to explore AlUla over a three-day period and witness premiere performances from globally renowned artists.
